Double duty

Jabra BT530 headset

\$135 from now till end of March (usual price \$190), from Thos Solutions (IMM Building, 04-28D Lobby B) and Qala (06-39 Sim Lim Square)

GETTING calls on your mobile phone and through Skype?

Connect to both with the Jabra BT530. The Bluetooth headset can work with two devices at the same time so there is no need to keep switching headsets for the different calls.

To make sure your calls are clear, the headset uses dual microphones to capture sound, while blocking out ambient noise through its Noise Blackout sound cancellation smarts.
